PRICE LIST

All Silver Gelatin and Archival Pigment prints are made and mounted with archival processes and materials. Palladium prints are on archival watercolor papers that work best with the NA² process.

Palladium prints are all on hand coated watercolor papers. By nature they are all contact prints made either from an original negative or an enlarged negative made by digital means.

Print Size	Silver or Digital print	Palladium print (NA2)
5x7	\$95	\$195
8x10	\$195	\$295
11x14	\$295	\$395
16x20	\$395	\$495

Above prices include frames and mats. Subtract \$50.00 for mat only. Frames are Nielsen type black metal. Silver and Archival Pigment prints are dry mounted. Palladium prints are hinge mounted.
